WARRANTY CERTIFICATE

This document has been prepared by taking into account the principles of

WARRANTY CERTIFICATE of Consumer Protection Law No. 6502.

WARRANTY CONDITIONS

1) Warranty period is 2 years from the delivery date of the goods. (This time can not be less than 2 years)

2) All parts of the product are guaranteed.

3) If the goods are found to be defective, the consumer, 6502 Article 11 of the Law on Protection

A- Return from contract

B- Requesting discounts

C- Free repair request

D- May take the right to ask for the sale to be replaced with a non-defective product.

4) If the consumer chooses the right to free repair from these rights seller; It is obliged to make or repair the goods without any charge under the cost of labor, replacement parts or any other name.

The consumer can also use the right to free repair against the manufacturer or importer. Seller, manufacturer and importer are responsible for the consumer's right to use this right.

5) If the consumer uses the right of free repair,

- Failure to repeat within the warranty period

- Exceeding the maximum time required for repair

- In cases where it is not possible to establish a report by authorized service station, dealer, manufacturer or importer; the seller can demand the return of the price of the goods, the price reduction at the price of shame or the replacement of the goods with the non-defective product if possible.

The seller cannot refuse the consumer's demand. If this request is not fulfilled, the seller, the manufacturer and the importer shall be jointly responsible.

6) The repair period of the goods can not exceed 20 working days. This period starts at the date of notification of the defect to the authorized service station or the seller within the warranty period and the date of delivery of the goods to the authorized service station.

If the defect, goods, manufacturer or importer is not repaired within 10 working days; Until the repair of the goods has been completed, it should allocate another product with features similar to consumer use.

In case of malfunction of the goods within the warranty period, the time spent in the repair is added to the warranty period.

7) The use of the product contrary to the instructions in the manual is not covered by the warranty.

8) The consumer may apply to the Consumer Arbitration Committee or the Consumer Court at the place of settlement of the disputes that may arise in relation to the use of the rights arising from the warranty or in the place where the consumer transaction is made.

9) In the event that this Warranty Certificate is not provided by the Seller, the consumer may apply to the General Directorate of Consumer Protection and Market Surveillance of the Ministry of Customs and Trade.
