Method Of Application

Safety code

1- Do not disassemble your Bluetooth headset at any time, because it may damage your Bluetooth headset or cause the battery to self-ignite. Please take the Bluetooth headset to the designated service point for repair, or replace the battery.

2- When you drive with Bluetooth headset, please follow the regulations of your country on region.

Method Of Application

3- Avoid putting the Bluetooth headset in a high temperature environment <higher than 50 °C/122° f>, such as exposure to the sun, which will damage the performance of the Bluetooth headset and reduce the battery using life.

Don't let the Bluetooth headset get wet or immersed in liquid.

Method Of Application

If the headset can be used for Notebook, PC, Desktop computer and Pad?	Yes, the headset can be used for the devices that support Bluetooth version and functions
Why I hear the mute and disturbance sound while calling?	Cordless telephones and wireless network devices and other similar devices may generate disturbance, which be usually heard like static noise.
Whether the headset disturb the on-board electronic devices radio or computer?	No, the frequency generated by the headset is far below the frequency generated by common mobile phones.
Why an echo is heard while calling?	Adjust the volume or move to other area and try again
How to clean the headset?	Clean with dry and soft cloth
The headset cannot be fully charged?	The headset and the charging cable may not be connected well. Please try again.
